

Innovative Process Solutions

Air Filtration • Conveying • Cooling • Drying • Explosion Suppressing • Feeding • Mixing • Packaging Automation Screening • Size Reduction • Storing • Weighing • Valves

pacecompany.com

- Aeromechanical Conveying Systems
- Bag Dump Stations
- Bulk Bag Unloaders

- Dense Phase Conveying
- Dilute Phase Conveying- Pressure & Vacuum Systems
- Vacuum/Pressure Combination
- Eco Phase Systems® (Reduces Energy Consumption)
- Pneumatic Conveying System Components

- Ribbon Blenders
- Paddle Mixers
- Size Reduction Equipment
- Split Tube Mechanical Conveyors

- Lift Tables & Elevating Platforms
- Pallet Handling Equipment
- Work Benches, Turntables, Coil & Roll Handling

- Explosion Protection Systems That Include Chemical Suppression, Flame Arrestors, & Explosion Venting

- Fine Grinders
- Classifiers

- Circular Screeners & Centrifugal Sifters
- Fluid Bed Dryers & Coolers
- Cross-Flo Static Sieves

- Valve Bagging & Open Mouth Bagging
- Bulk Bag & Tote Filling
- Robotic Palletizing

- Screw Conveyors
- Bucket Elevators

- Industrial Belt Scales
- Volumetric & Gravimetric Feeders

- Dust Collectors
- Scrubbers
- Dust and Fume Hoods
- Engineered Systems

- Vacuum Conveying Systems
- Batching & Weighing Systems
- Bulk Bag Loaders
- Industrial Vacuum Cleaners

- Static Grounding Solutions
- Drums, IBCs, Trucks
- Continuous Monitoring Systems

- Quick-Fit Industrial Ducting Systems
- Made in the USA
- Fast Delivery

- Slide Gate & Diverter Valves
- Iris Valves & Butterfly Valves

- Dust Free Loading Spouts & Equipment
